OUR PURPOSE

Crafting elegance and functionality for homes and workplaces.

OUR VALUES

- > Respect One Another
- > Look Ahead
- > Do the Right Thing
- > Bring Your Best
- > Give Back

Meridian Products' core foundation and ambition is to be at the forefront of finding new and innovative ways to meet the ever-changing and challenging demands of the high-end, custom kitchen and bath industry. From our cutting-edge MDRF doors and drawers to our skillful joint construction of our notched designs, Meridian Products leads the industry in quality, service, and innovation.

Our dedication to quality is exhibited in the exquisite, finished look of our paint and stain programs. Our innovation is present with our 100+ gray-toned paints and new gray stains to meet the current market trends. Our Evolution Series amazes in its visual appeal.

The depth of knowledge and experience of our team shines in our craftsmanship and artistry, from our ability to manufacture unique, one-of-a-kind designs to the masterly-crafted kitchens of yesteryear. It's all enhanced by the pride and experience of our master craftsmen.

We utilize the strengths of our team by melding their expertise with the products we manufacture. Our team works with a can-do spirit and aspires to give our customers an unparalleled level of service and support.

We choose to do all of this with the objective of enriching the lives of everyone we work with and craft for.

Photographs and renderings in this brochure are for illustration and reference only.

Actual wood and finish colors may vary due to printing process. Meridian Products always recommends ordering a sample door and/or drawer for accurate color selection and representation.

This brochure features many of our most popular door styles and finishes. However, there are many more options available. Please use our Product Manual for more detailed offerings.
